Aloha,

My name is Larry Roy and I am REALTOR® Salesperson with Local Hawaii Real Estate. Buying a home or some land in Hawaii is a challenging process and I am here to help you find your own perfect slice of Paradise!

I grew up in a small town in Illinois and enlisted in the USAF when I graduated high school. I began my military career as an aircraft mechanic and eventually became a C-5 Aircraft Flight Engineer. I have lived in Europe and several different states. I have been to the most amazing (and sometimes not so amazing) places on the planet. I retired from the USAF after 27 years of service with a BS in Behavioral Science with a minor in Criminal Justice and 4 FAA airman ratings. I also enjoy, surfing, diving, hiking, camping and riding my motorcycle every chance I get!

After retirement, my wife Jodi and I decided the Big Island was the perfect place to begin the next chapter of our lives. We lived with our daughter Natasha, son Gabe and two chocolate labs in the Mountain View rain forest area and learned much about the land and the way of life on this beautiful island.

In early 2020 we decided to make a move to the west side of the island and experience more of what Hawaii Island has to offer. With new friends, new adventures and new real estate opportunities to explore, it has been an exciting change to our life here in Hawaii. We sometimes miss the sunrises, but we immensely enjoy the sunsets from our lanai in Kailua Kona.

This move has given me the opportunity grow my knowledge of the diverse real estate market on this Island, helping me provide my clients with the best service possible for your real estate needs. From vacant land nestled away in the rain forest to a turn key home looking out over the ocean, I look forward to working with you for all of your real estate needs.
