Aloha!

The Big Island of Hawai'i has been my home for 25 years. Born and raised on Oahu, my husband and I came here in 1992 to raise our five children in a safe and beautiful environment. After four of my five went off to college, I did too and earned my Bachelors in Business Administration at the University of Hawai'i Hilo.

My passion for real estate started when I was 18, and now I am able to reignite that passion to help others discover the beauty and affordability of this island paradise. It is my *kuleana* (responsibility) to help you navigate the process of buying and/or selling property to the best of my ability. I am committed to your dreams and goals, and to providing the information you need to make the best decision for *you*.

Please contact me anytime with questions, concerns, and for whatever you need to make your real estate adventures as meaningful and successful as possible. I am grateful to be of service and look forward to hearing from you!
